

San Mateo County Trained Professionals for Hire

The following is a list of tree care professionals who have been through a COMTF training session on symptom recognition/sampling and the use of the Agri-fos/Pentra-bark treatment, and have given their names and contact information for this referral list. These persons have been trained to recognize *Phytophthora ramorum* in the field, and have been informed of the process for collecting and sending samples for analysis with the California Department of Agriculture. **Note:** These lists should be viewed as a resource only, and are not an endorsement by the Task Force of any specific company or service.
