

## **Sudden Oak Death Contact Information**

The following items should be considered when determining the appropriate contact person:

- For regulations, quarantines, or permits, contact your County Agricultural Commissioner's Office.
- Contact the California Department of Forestry and Fire Protection (CDF) when harvesting trees on State and private lands under a timber harvest plan.
- For activities on federal or National Forest lands, contact the USDA Forest Service.
- For education, outreach, and general information in your county, contact one of the California Oak Mortality Task Force Regional Coordinators or your county's University of California Cooperative Extension Advisor.
- For information on national, state, or county parks contact the park directly.
- For information regarding COMTF, the website, or if you are unsure who you should talk to in your county, contact the COMTF Outreach Coordinator or Public Information Officer.
- For media questions or requests for interviews, contact the COMTF Public Information Officer.
