

BROADENING OUR UNDERSTANDING OF SUDDEN OAK DEATH

Date: May 10, 2002

SANTA ROSA—The California Oak Mortality Task Force will be holding their Spring 2002 meeting in Santa Rosa May 14 – 15 to address the latest issues surrounding Sudden Oak Death. May 14th will be a two-stop field trip to Sonoma Compost for a compost facility tour and Jack London State Park, looking at symptom recognition on susceptible plants. May 15th will be at the Finley Center, Santa Rosa, with Task Force committee meetings in the morning followed by a general session on the latest Sudden Oak Death information in the afternoon.

When: Tuesday, May 14, 2002

10:00 – 11:00 a.m.

Where: Sonoma Compost
