**Abstract (papers & posters) deadline: January 20th**  
**Registration deadline: January 27th**

Keynote Speaker:

Dr. Michael Soulé

Professor (Emeritus), UC Santa Cruz

Co-founder, Society for Conservation Biology

Plenary Speaker:

Dr. Maggi Kelly

Associate Professor, UC Berkeley

Director, Geospatial Imaging and Informatics Facility (GIIF)

---

This student-organized symposium is a forum to share and discuss recent scientific findings and policy issues in conservation biology, with an emphasis on graduate student research. We invite abstract submissions for oral papers and posters from students, faculty, and individuals from the government, non-profit, and private sectors. Presentations will encompass research from the Bay Area, the rest of California, and beyond.

REGISTER AND SUBMIT ABSTRACTS AT
