SOD Blitz 2019 Fall Results Meetings and Workshops

SOD Blitz Results Meetings

At these meetings local and statewide results of the spring 2019 SOD Blitz Survey will be made public. We will present a detailed update on the status of infestations, including areas previously thought to be uninfested. Treatment and new diagnostic options will also be presented.

11/8/19, Friday, 7pm, Independence Hall, 2955 Woodside Rd., Woodside, CA, Contact: kbryant@woodsidetown.org

11/12/19, Tuesday, 6pm, UCCE Cooperative Office, 133 Aviation Blvd #109, Santa Rosa, CA, Contact: kwininger@ucanr.edu

SOD Training Workshops

We will host treatment training workshops covering the biology, history, regulations, control, and new diagnostics for SOD and other Phytophthoras. These meetings are primarily aimed at tree care professionals, government and NGO employees, and managers and docents of open space districts and parks. ISA CEUs applied for.

11/7/19, Thursday, 10am-3pm, UC Elkus Ranch, 1500 Purisima Creek Rd, Half Moon Bay, CA, Contact: ilacan@ucanr.edu

11/18/19, Monday, 10am-3pm, UCCE Cooperative Office, 133 Aviation Blvd #109, Santa Rosa, CA, Contact: kwininger@ucanr.edu

11/19/19, Tuesday, 10am-3pm, Mendocino Coast Botanical Gardens, 18220 CA-1, Fort Bragg, CA, Contact: kwininger@ucanr.edu
