A new think-tank that brings in Canazei important alpinists of worldwide fame, such as Reinhold Messner and Simone Moro, scholars and experts in environmental issues to deal with matters regarding the mountains and their future.

### Programme - Canazei Campo Base:

- **Thursday, July 22nd: "Dolomiti: paesaggio in trasformazione"**. Forests and urban areas, new balances and plans. **Matteo Garbelotto**, director of the Forest Pathology and Mycology Lab in Berkeley and professor of Science, politics and environmental management at the University of California. **Mara Nemela**, director of the Unesco Dolomites Foundation. **Ilario Cavada**, forestry technician at the Magnifica Comunità di Fiemme. Hosted by the journalists Elisa Salvi and Giorgio Pedron.
- **Wednesday, July 28th. "A northern soul"**. The peaks as an occasion of revenge, in a docu-film and in life. **Nikolaj Niebuhr**, passionate alpinist, with the participation of the paralimpic skier **Chiara Mazzel** and of the guide **Fabrizio Casal**. Hosted by the journalists Elisa Salvi and Giorgio Pedron.
- **Monday, August 2nd. "Reinhold Messner: una vita in cima al mondo"**. Alpinism and the mountains, from the experience of their greater interpreter, the alpinist and explorer **Reinhold Messner**. Hosted by the journalists Elisa Salvi and Giorgio Pedron.
- **Wednesday, August 11th. "Le opportunità delle terre alte"**. An intelligent and sustainable development of the mountains. **Giovanni Grasso**, counsellor of the Italian President communication and press office. **Paolo Grigolli**, director of the Tourist Board Val di Fassa. Hosted by the journalists Elisa Salvi and Giorgio Pedron.
- **Friday, August 20th. Simone Moro. "Ho visto l'abisso"**. From the defeat to the desire of new adventures. **Simone Moro**, alpinist and explorer. Hosted by the journalists Elisa Salvi and Giorgio Pedron.
- **Friday, August 25th. "La sentinella delle Dolomiti"**. The unintended influencer who has made the Marmolada a pop phenomenon. **Carlo Budel**, manager of Capanna Punta Penia and author of two books. Hosted by the journalists Elisa Salvi and Giorgio Pedron.
- **Thursday, September 2nd. "La ragazza dei lupi"**. Boundless attraction and original fear explain by the Italian most famous wolf expert, the zoologist and writer of a book about the Italian packs **Mia Canestrini**, with the participation of **Elisabetta Demattio** and the students from the Ladin school of Fassa taking part to the project "I nostri lupi" (our wolves). Hosted by the journalists Elisa Salvi and Giorgio Pedron.
