INSTRUCTIONS

1. The Building Emergency Plan (BEP) and Injury and Illness Prevention Plan (IIPP) must be read before gaining access to any of CNR's buildings/labs/offices.
 - a. Both documents can be read at the CNR Safety and Facilities Site:
http://nature.berkeley.edu/site/safety_facilities.php
 - b. You will need to sign in with your Calnet ID to verify that the BEP reading has been completed. You must read the BEP for every building you will need access to.
 - c. You will need to sign in with your Calnet ID to verify that the IIPP reading has been completed. Also, you will need to click the submit button at the bottom of the web page.

2. Fill out all of the Applicant Information in section A.

3. For Card Key Access:
 - a. Your UC ID card number is required. The number is located on the lower right corner on the back of your UC ID.
 - b. If your card does not have any numbers on the back, then your UC ID card is old and incapable of being programmed. You must go to the Cal 1 Card Office to receive a new card. The office is located at 180 Cesar Chavez Center on Lower Sproul Plaza. The hours are Monday-Friday, 9am-5pm.
 - c. If you do not have a campus ID, you must go to the Cal 1 Card office to get one.
 - d. We cannot activate blank card keys for access into any of the CNR buildings.
 - e. Authorization from your PI or lab manager is required.
 - f. An expiration date for the access is required.

4. For Metal Keys:
 - a. Enter the building and room number of the key you will need.
 - b. Authorization from your PI or lab manager is required.
 - c. An expected key return date is required.
 - d. If keys are not available, an order to the campus locksmith will be placed. Key orders generally take up to 2 weeks to be completed.

5. For Door Code Requests:
 - a. Enter the building and room number of where you need access.
 - b. Enter a unique 6 digit code to be programmed. Codes with simple patterns will not be accepted (i.e. 111222).
