Last updated 8/23/2015

8/24/15-“What I wish I had known first semester” Pre-med Student Panel, 2:00-3:00pm, VLSB, Rm. 2060

Learn the strategies and avoid the pitfalls in order to have a successful first semester as a pre-med! You will hear from the Career Center's Pre-Health Peer Fellows, students who have been in your shoes and want to share what they wish they had known as first years.

8/25/15- Fall Recruiting Kick-off (for non-business majors) 5-6pm, Career Center, Blue & Gold Rooms:

Companies DO want to recruit non-business majors for top business positions. In this multi-faceted program you will hear from a panel of business professionals about careers in consulting, finance, marketing, sales and more to learn about opportunities, the hiring process and how to best market yourself for these positions. Panelists will include representatives from finance, consulting, and management, among others. A Career Counselor will also briefly introduce you to the OCR process using Callisto. Please rsvp on Callisto

8/26/15- Careers in Finance, 6-8pm, Haas, Wells Fargo Room

William Rindfuss, Executive Director, Strategic Programs, Haas Finance Group will be discussing the finance industry landscape, including sectors, firms and roles within finance. Before coming to Haas as a finance faculty member teaching in the MBA program, Bill worked for 20 years at JPMorgan and predecessors in NY and SF, in client coverage, restructuring, leveraged finance and risk management. If you want to know more about the world of finance from a faculty member who has been in the trenches this workshop is for you. Please rsvp right away as space is limited.

9/1/15- Career Connections: Consulting, 6-8pm, Career Center, Blue & Gold Room

We all assume the role of “consultant” at times in our life—whether it’s helping a friend choose a major or giving them dating advice—but how does one turn this valuable skill into a successful career? Come explore a growing and mysterious industry, and find out first hand from Cal alumni and professionals what it's like to make a living advising others.

What is Career Connections?
Career Connections events are your opportunity to meet face-to-face with alumni and professionals representing a variety of roles within a career field. The format connects you to individuals & opportunities in a low-stress, approachable environment. Following a brief kick-off and introductions, the session will consist of casual networking with alumni, professionals, and peers who share your career interests. Gain insider knowledge about hiring practices and create meaningful connections that could lead to a future internship or job! Please rsvp on Callisto

9/9/15- Preparing for Nursing School, 6-7:30pm, Career Center, Gold Room

Interested in nursing school? Come learn about the Pre-Nursing Society at Cal and the opportunities available for pre-nursing students. Learn how to make yourself a competitive candidate for top nursing programs! Please rsvp on Callisto!

9/11/15- Undergraduate Research Opportunities for STEM, 2:00-3:30pm, Bechtal Engineering Center, Rm. 240
Undergraduate research can prove to not only be an enriching academic experience, but also open doors to internships, jobs, and graduate schools. Come find out about how participation in research can lead to your next opportunity. Please rsvp on Callisto!

9/16/15- Pre-Med 101: What Freshman Need to Know, 4:00-5:00pm, Career Center, Blue & Gold Room

Learn all the essentials as you embark on your first year at Cal as a pre-med student. We will explain medical school prerequisite coursework, demystify pre-med “myths” and show you how to explore your interests by engaging in clinical, research and club activities. Please RSVP on Callisto!

9/17/15- Career Options in Biology, 1:30-2:30pm, VLSB, Rm. 2063

Wondering what career options exist for biology majors outside of the health professions? Join us to hear from a range of recent alumni in the biological sciences who have found employment outside of the pre-health "bubble.’

This panel takes place during the annual Biology Majors Fair (12-2pm, VLSB Lawn), an opportunity for students to learn about the many biology-related majors at Cal and meet with students and advisors from these departments. Represented majors include Earth & Planetary Sciences, Environmental Sciences, Forestry and Natural Resources, Genetics and Plant Biology, Integrative Biology, Microbial Biology, Molecular & Cell Biology, Molecular Environmental Biology, Nutritional Science, and Public Health. Please RSVP on Callisto!

9/22/15- Careers in Sports Medicine, 6:00-7:30pm, Career Center, Blue & Gold Room

Want to combine your interest in sports with the field of medicine? Come learn about Cal’s Sports Medicine Internship Program and from the health professionals who work with our student-athletes in a variety of capacities- from medicine to physical therapy and more! Please RSVP on Callisto!

9/23/15- Environmental & Sustainability Career Series: National Park Service, 12:00-1:00pm, Career Center, Blue Room

Take a break for lunch and learn more about careers and internships with the National Park Service. We will provide the dessert! Please RSVP on Callisto!

9/24/15- Preparing for your pre-health interviews, 5:00-6:30pm, Career Center, Gold Room

Congratulations, you have an interview! Now what? Come learn about the basics for your big interview day. We will go over interview styles (including MMI format) and do’s and don’ts, as well as leave time for you to practice common questions. You will leave this workshop feeling confident for your upcoming health professions interviews! Please RSVP on Callisto!

9/25/15- Career Quest for Transfers: Preparing for Medical School, 4:00-5:00pm, Career Center, Gold Room

Trying to figure out how to transition from community college to pre-med at Cal? Learn how to maximize your time on campus and strengthen your application by finding clinical and research opportunities, engaging in club activities and excelling in academic coursework. Come with your questions! Please RSVP on Callisto!

9/28/15- Exploring Health Careers: Physical Therapy & Occupational Therapy, 6:00-7:30pm, Career Center, Blue & Gold Room

You know you need “clinical” experience for health professional schools, but what does that mean? How do you find meaningful volunteer opportunities? In this workshop, we will go over the various ways in which you can gain clinical experience (hospitals, clinics, shadowing, etc!) and how to maximize your time here at Cal. Please RSVP on Callisto!

10/1/15- Law School Application Workshop, 4:00-6:00pm, Career Center, Blue & Gold Room

Whether you are applying this fall or considering law school for your future, come learn about the application process, including the timeline, the components of your application, and writing an effective personal statement.
A panel of admissions representatives will be on hand to answer all of your questions! (Schools will be announced at a later time)**This workshop will immediately follow the Law School/Grad School Fair on 10/1/15. Please RSVP on Callisto!

10/6/15- Finding Pre-Health Clinical Experience, 3:00-4:30pm, Career Center, Gold Room

10/16/15- Career Connections: Environmental & Sustainability, 3:00-5:00pm, Career Center, Blue & Gold Room

What's next? Planning for a career in the environment & sustainability field?

Please join us for an opportunity to interact with alumni & professionals who share your career interests, and find out how they guide society to respond to the various environmental problems we have. Attending this structured networking night will provide you with the opportunity to talk one-on-one and in small groups with successful alumni in your field!
