**NOTES:**

- This is a sample program plan. This plan assumes that the student has completed the Entry Level Writing and American History and Institutions requirements prior to admission.
  - Students are strongly advised to work with an academic adviser to determine a personal program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.
  - Any EEP course will satisfy the L&S Breadth area of Social and Behavior Sciences, one of seven breadth areas.
- \* The second Core course, if not taken during fall of second year, can be taken spring of second year. Either EEP C101 (spring, summer) or EEP C102 (fall) will satisfy the second Core course requirement.
