Scheduling advice for CNR EEP students

Before you start scheduling your first semester of classes, refer to the [EEP Major Overview](#) and [EEP Major Snapshot](#).

- This is a sample program plan. This plan assumes that the student has completed the Entry Level Writing and American History and Institutions requirements prior to admission.
- Students are strongly advised to work with an academic advisor to determine a personal program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.
- Any EEP course will satisfy the L&S breadth area of Social and Behavioral Sciences, one of the seven breadth areas.
