

Forestry and Natural Resources Minor

The Forestry and Natural Resources Minor Program is available to any current UC Berkeley student in good academic standing. Students must check with their home college for overlap restrictions between majors and minors. The deadline to complete this minor program is before your degree at UC Berkeley has posted. For more information, please email Eva Wong-Moy at evaw@berkeley.edu.

Completing the Forestry and Natural Resources Minor Program:

- Students must complete at least **five** courses taken from the pre-determined list below.
- At least 1 of the 5 courses must be taken during the academic year (i.e. not all may be summer courses, ESPM105A-D).
- The courses taken must total at least 12 semester units.
- No substitutions will be permitted. At least **three** of the required five classes must be upper division.
- **NOTE:** All courses must be taken for a **letter grade** and the **cumulative minor GPA must be 2.0 or higher.**

Required Course: Select one course from the following (for Fall 2014 admits and later):

ESPM 105D	Forest Management and Assessment
ESPM 182	Forest Operations Management
ESPM 183	Forest Ecosystem Management
ESPM 185	Applied Forest Ecology

Elective Courses: Complete four courses from the list below. At least three courses must be upper division.

ESPM 11	Americans and the Global Forest
ESPM 50AC	Introduction to Culture and Natural Resource Management
ESPM 60	Environmental Policy, Administration and Law
ESPM 72	Introduction to Geographic Information Systems
ESPM 102A	Terrestrial Resource Ecology
ESPM 102B	Natural Resource Sampling
ESPM 102C	Resource Management
ESPM 102D	Resource and Environmental Policy
ESPM 108A	Trees: Taxonomy, Growth, and Structures
ESPM 108B	Forest Genetics
ESPM 116A	Forest Ecology
ESPM 116C	Tropical Forest Ecology
ESPM C129/EPS C129	Biometeorology
ESPM 134	Fire, Insects, and Diseases in Forest Ecosystems
ESPM 155	Sociology of Natural Resources
ESPM 172	Photogrammetry and Remote Sensing
ESPM 181A	Wildland Fire Science
ESPM 182	Forest Operations Management
ESPM 183	Forest Ecosystem Management
ESPM 184	Agroforestry Systems
ESPM 185	Applied Forest Ecology

UC Forestry Summer Field Program at Baker Forest (ESPM 105A-D)

For more information and to download application materials, please visit <http://nature.berkeley.edu/espm/summercamp>

ESPM 105A	Sierra Nevada Ecology
ESPM 105B	Forest Measurements
ESPM 105C	Silviculture and Utilization
ESPM 105D	Forest Management and Assessment

Note: Completion of the FNR minor will be noted in the memorandum section of the student's transcript and not on their diploma.
