Desired Number of Units

I am seeking a reduced course load due to parenting responsibilities. If I am requesting a semester course load of fewer than two academic courses (min. 3 units each), I understand that I must meet with an advisor. I certify that the above information is correct and may be verified by the College.

I understand that I am required to inform the College of my intent to take a reduced study list each applicable semester.

If I receive financial aid, I will check with the Financial Aid Office each semester to determine how my award will be affected by enrolling in fewer than 13 units.
