For the Nutritional Sciences majors, if you are applying from a college outside of the College of Natural Resources (L&S, CED, COC, COE), the requirements to apply for the major are:

- A minimum cumulative 3.0 GPA is required
- Completion of Reading & Composition (R1A and R1B)
- Completion of NST 10 (for Nutritional Sciences majors) or NST 11 (for Toxicology track)
- Completion of Math 16A and 16B, Chem 1A/L, 3A/L, 3B/L, Bio 1A/L (MCB 32/32L is not required but it is a pre-requisite for NST 103 that NS-PM and NS-D students take their Fall JR year, so it is important to take that course Fall Sophomore year or in the summer before their JR year)
- All courses required for the major must be taken for a letter grade (this includes the humanities courses)
- Demonstration of meeting the CNR Policy of graduating in 4 years (8 semesters) for students who entered their freshman year and 2 years (4 semesters) for transfer students. This is total time to degree, starting from your first date of enrollment at UC Berkeley.

Most students petition for the major after completion of these courses at the end of their Sophomore Year.
