ANNOUNCEMENTS

Due to a lack of demand, the 3 x 5 inch and 5 x 8 inch abstract card editions of *Quaestiones entomologicae* are discontinued, effective with the April 1970 issue (Volume 6, No. 2 and on).

Entomology abstracts published by CCM Information Corporation (prepared by Information Retrieval Limited) and Abstracts of Entomology published by Biological Abstracts have been received by the Department of Entomology, University of Alberta. We expect to publish a review of these journals after their first year of publication.
